Dear Praying Friends,

Greetings from Southampton, Pennsylvania! What a privilege it is to be back for a season among our family, friends and home church. We began our 2024 Home Assignment several weeks ago and have been catching up on long-missed connections and family gatherings. We have also had opportunities to share our ministry in several church functions and small groups. We are so encouraged by the enthusiasm we have sensed for what God is doing in northern Cambodia!

A major high point of this home assignment will be our daughter Meghan's marriage to Silas Parschauer! We would appreciate your prayers for all of us as they prepare to celebrate this momentous occasion on May 4th! Pray for good weather! Most importantly, may God be glorified in their marriage!

Please consider joining us for the following events where we'll have opportunity to share about the ministry in Cambodia:

May 26, 2024 – Jim will bring the Word and he and Carolyn will also share about the PV ministry in both morning services (*Davisville Church, Southampton, PA 9 & 10:45 am*).

June 2, 2024 – We invite all those interested in the Plas Prai dorm ministry and current and past sponsors to join us for a drop-in visit Sunday morning at Davisville church (*between 10 am – 12:30 pm, room 203*). We will have Plas Prai students join us via Zoom as well!

June 9, 2024 – Difference Maker night at Davisville featuring our teammates, Pat and Jeannie Hartsfield, Chelsea Cooper and us (*7pm in the sanctuary*).

June 14, 2024 – Sharing at Community Baptist Church of San Jose' (*7:30 pm, 2215 Curtner Ave, Campbell, CA 95008*).

June 16, 2024 – Visiting Living Hope Church (*1300 Sheffield Ave, Campbell, CA 95008*).

Back on the other side of the world, our team in Preah Vihear continues the work without us until we return on October 1. Here are prayer requests for you to join with us:

1. Pray for our teammate, Joel Stewart and the rest of the team as they continue to strengthen the new believers through remote village visits and provincial city gatherings. Pray for stamina as the daily temperatures are now soaring above 100 degrees!
2. Pray for Plas Prai graduates, Ven, Mony and Sokhen, who are presently attending Discipleship Training School.
3. Pray as we recruit more expat workers to serve with us in Preah Vihear. We would like to expand the work and still need additional foreign workers. Are you interested?
4. Pray for the new group of 10th grade students at Plas Prai. They are settling in well and learning who Jesus is!

5. Pray for Sina who has begun her role as Plas Prai manager and is doing very well!

6. Pray for Chelsea Cooper as she settles into life back in the US and her new role in training with World Team.

7. Pray for the new Church Planting (CP) Team led by Sokhoeurn. There are a lot of 'moving parts' between our various roles on all teams.

Also, we are looking to rent or borrow a car from mid-May through September. Please add this to your prayers and let us know if you know of an available car. Thank you!

We would love to connect with each of you while we are in the US, if possible. Please reach out to us if you'd like to set up a time to get together (our US phone numbers are below). We'll be based in the Southampton, Pennsylvania area for most of our time with a trip to CA in June. **If you are in the PA area, mid-May through September would be the best time for us to see you. If you are in the San Jose, CA area, we'll be there approximately from June 14-23. Please reach out so we can get together 😊.**

Thankful for each of you,

Jim and Carolyn
