Hello friends!

We hope you are all doing well in light of the fact that HE IS RISEN! It truly changes EVERYTHING!

We were thankful to spend a month in the US. Thank you for those who were able to pray. We helped with our church's Difference Maker missions weekend, met with the team members who are coming to Cambodia in June and had some special times with our kids and siblings. It was truly a gift from God!

## Prayer requests and events for this month:

1. **EXPLORE WORLD TEAM** – please pray for and consider joining EXPLORE online Saturday April 26. This will be an online virtual event to explore World Team and how you may fit into missions. Click the link below to learn more. Also, if you are contemplating serving overseas, check out a new section on our team website that directs to opportunities to serve with World Team in Cambodia, including our location in Preah Vihear (PV). Team website:  
<https://www.worldteampreahvihearcambodia.org/>. Find “Opportunities to Serve”.

### EXPLORE - World Team USA

Who is World Team, and where do I fit? Saturday, April 26, 2025 10:00AM – 12:00PM Eastern Time Join World Team to EXPLORE who we are and to discover your fit in missions. This 2-hour virtual event is designed to share and discuss World Team's mission...

[us.worldteam.org](https://www.us.worldteam.org)

2. **Ministry Training Center** – Please pray for the process of establishing the building plan for the new training center, government registrations and ministry plans moving forward. We've missed holding our Preah Vihear School of Applied Ministry (PVSAM – Bible and ministry school for leaders in the districts). Once the building is up, we'll launch this again. Pray that we can get it up soon!
3. **National Ministry Partners** – our national team continues to grow with Phearoth just returning from SOMD (School of Ministry Development) to help with digital media. You can check out what the digital media team has been producing here <https://web.facebook.com/profile.php?id=100071530842790>. This Facebook page also shows the Family Night outreach events which our YWAM partners conduct weekly. And please pray as two more of our partners will finish their one year Bible training with YWAM in July and plan to return with a heart to teach the Bible! We have newsletters of each of our Khmer partners who are volunteers and raise their own support. If anyone is interested in receiving these, please let us know.
4. **Plas Prai** – the students have all returned from the major Khmer New Year holiday. This month we will be praying for the locations we will go to recruit new 10<sup>th</sup> grade

students for the 2025-26 new school year. Please pray for God's leading. Pray also for our senior students preparing for their final exams held in July and August this year. Pray for the staff as we work through some biblical team building events. May God grow each of us as iron sharpens iron! Also, check out the [Plas Prai Center Organization Facebook page here.](#)

5. **New Believers Follow up** – until we restart PVSAM, we're focusing our efforts on follow-up with the many family members and/or neighbors of our Plas Prai students who have come to faith through the witness of their children. Pray as we seek to meet them every two weeks either in their home villages or when we gather all together for a time of fellowship, teaching from the Word and worship.
6. **Team coming in June** – finally, please pray for a group of young adults from Davisville (our sending church) who have been walking through a process of seeking God's will about their future and ministry opportunities here in Preah Vihear. They will be taking a 'vision trip' to better understand the ministry, what life looks like as a missionary and God's calling for their lives specifically. We'd appreciate your prayers for them!

Thank you for investing your time reading this update. May God bless you and cause His grace to overflow through you wherever you are!  
Carolyn
