

SUMMARY OF THE LAST 4 MONTHS ... Since we wrote last, we've celebrated a number of events and now have solid news regarding this next academic year in Cambodia. Here is a brief list.

- All Cambodian public school students are back in school at least part time. The school year will end November 30 (it normally ends mid-July). Seniors' final exams are December 20 & 21 (see our website for highlights on each of our seniors). The new school year will begin January 11, 2021 (it normally begins the beginning of November).
- We have 14 new students scheduled to join us in January!! If you are interested in sponsoring a student, please contact me and check our updated website [here](#) to see who will be joining our ranks for the new school year.
- The building is ready for move-in! To help with furnishings, we welcome anyone interested in donating through World Team using project number 044025.
- A "Thank You" trip was taken to our local PV mountain waterfall followed by a chicken BBQ to show our appreciation to the students who volunteered this year to teach in our children's outreach program.
- We celebrated our seniors at a special dinner, toned down due to Covid restrictions, but special non-the less!
- Our incoming grade 12 students took their annual trip to the beach, seeing the sea for the first time, utilizing a water obstacle course and learning what it means to step up in leadership.

Grade 10 outreach volunteers at the waterfall.

- Seven Plas Prai students were baptized and we rejoiced with them and their choice to follow Jesus! See a video summary of the event [here](#).
- A two plus year process of renewing our MOU with the government is going through the final stages of approval. All paperwork has been received and approved!! The Ministry of Social Affairs will visit our center soon and a formal signing of paperwork will finalize the process. It's been a long haul and we are very thankful to be wrapping this up! Thank you for your prayers!

Check out pictures of these events on page 2. Thank you for your interest, prayers and support for the Plas Prai, Center for Transformation.

The Plas Prai Center is a joint ministry of Davisville Church and World Team.

FOUR BUSY MONTHS IN PICTURES

Fun at the waterfall!

Our current 12th grade class, L to R:
Somphoa, Savong, Rechany, Ry Eourm, Sophia, Sophoeurt,
Cheat, Sey, Channy, Phanna

Sothea, Sovan, Soklea, Visaka, Ry, Somphoa and Sophoeurt rejoice in their new life in Christ symbolized through baptism.

Sothea takes a step of faith in baptism while church leaders pray over him.

Sovan (left), currently in 11th grade but part of the entering 12th grade class, takes on the challenge of the water obstacle course at Shalom Valley on the coast of Cambodia.

As of January, these students will be the seniors on campus. From left to right, back to front: Sovan, Solea, Thanut, Sokhen, Sopheat, Visaka, Theang, Srey Tuech, Geta, Diro and Rayo.

This year, flooding hit Cambodia hard. Thankfully, the Plas Prai Center remained above water. But, we experienced the flood waters on our way home from the beach with our entering senior class.

JOIN US IN PRAISE AND PRAYER

Praise:

- SK, a YWAM national missionary from a Cambodian team in Pailin who has volunteered this past year to help mentor our male students, has informed us that he will stay another year at the Plas Prai to help out—this is a HUGE answer to prayer. He is a GREAT disciple-maker. The young men on our campus are flourishing under his care ... and we're about to get 6 more!
- The Plas Prai MOU with the government is almost complete.
- Our building is up and now supplied with beds and cabinets.
- Probably 6-8 students are indicating faith in Christ as of this past year (not yet decided on baptism).
- 7 students have made a clear profession of faith through baptism.
- Steady progress through Firm Foundations weekly Bible studies that is bearing fruit and giving students a solid knowledge base for faith.
- Praise that the Plas Prai property did not flood this year!

Please pray:

- Joel Stewart was able to finish the incredibly challenging and busy oversight of the new dorm building. Pray now as he spends important time with his family in the US.
- The Gabriels are also heading back to the US this Fall to be with family over the holidays.
- Pray as we seek sponsors for 14 incoming students in January—12 are entering 10th grade and 2 are entering 11th grade.
- Pray for our seniors as they finish out their high school careers with major pass/fail exams in late December.
- Pray for four seniors who would like to attend YWAM's Discipleship Training School in January for six months (Sophea, Somphoa, Sophoeurt and Ry). If you'd like to participate in their schooling, you can send a donation to our PV Project Fund (#044013) via [World Team](#).
- Pray for a new World Team dorm in Phnom Penh for college students. Four of our seniors are interested in going there and pursuing college for their future.

*Thank you for caring about God's work at the Plas Prai
and holding us up in prayer!*
